

With rivers across South Dakota expected to reach flood levels this spring, and prairie potholes overflowing, Representative Herseth Sandlin is committed to working closely with local, state, and federal officials to prepare for flooding and respond to any emergencies in South Dakota. Below are links to web sites that provide important information to help individuals and communities prepare for and respond to flooding.

Rep. Herseth Sandlin urges all South Dakotans to be safe during the spring flooding season and to make sure they take all appropriate precautions to protect their families and property. Any South Dakotans with questions about flooding are encouraged to reach out to Rep. Herseth Sandlin's offices in Washington, D.C., Aberdeen, Sioux Falls and Rapid City. Contact information can be found [here](#).

This page will be updated as new information is developed.
